Prayer works! Faith and prayer help Ledbury Christian charity expand its youth service

LEAF (Locally Encouraging All to Flourish) in Ledbury, an ecumenical Christian charity working for the well-being of everyone in the community, has won a major funding bid to expand its work with young people, and it all began with weekly ecumenical prayer meetings to see what God was calling church leaders to do.

The £78,718 grant from the Herefordshire Safer Communities fund will pay for a full-time youth worker to run a new youth facility based at St Katherine's Hall, a new part-time alternative school coordinator to work with local primary schools, and a part-time families worker and school counsellor to provide therapeutic support to children.

LEAF emerged from an ecumenical prayer movement and period of discernment by all the churches in the town, supported by Rev'd Preb Tony Hodder, the CofE Pioneer Associate Minister at St Michael and All Angels parish church. The charity is committed to supporting people holistically, allowing all to flourish in terms of physical health, emotional and mental health, and spiritual health. Tony says, "It's amazing that we began this with prayer, meeting in person at 7am, noon and 7pm every Thursday. We're still praying together the "7/12/7" but it has grown out of prayer into mission. The need couldn't be greater. We consulted with local youth, schools, a local councillor and Talk Community, facilitated by Rural Media, and we got over 60 responses and spoke in-depth with over 30 young people. This is what they said they needed, so this is what we're doing. Now with this extra funding we will be able to do much more. The youth hub at St Katherine's Hall will kick it up a notch but we still depend on donations from all our churches and the community and in addition to the new paid positions we have over 50 volunteers to deliver the programmes. It takes a village - or a town in this case to support its youth."

The grant scheme is funded by Herefordshire Council and West Mercia Police and is intended to help tackle the root causes of crime, vulnerability, exploitation and anti-social behaviour, particularly among children and young people.

The Church of England holds a weekly prayer meeting to pray for the number of children and young people in our churches to double, every Tuesday at 1pm. Find out more [here](#).

Journey of the Magi is a much-loved, family-friendly, festive frolic with a profound message for your church to host.

The show offers a contemporary comparison between the journey the wise men took 2000 years ago and our own preparations in the run up to Christmas today. With sparkle, a soundtrack to keep toes tapping and awe-inspiring dance, *Journey of the Magi* delights audiences of all ages.

Relatable characters help viewers to be inspired in their own "journey" to Christmas Day and can help them think about who Christ is for them.

"Forget The Nutcracker, Springs Dance Company's *Journey of the Magi* is the best Christmas show I have ever seen! I went along to see it one dark, wet and dismal night in Birmingham and I came out having been touched, amused and moved to tears. *Journey of the Magi* looks beyond the tinsel and trappings and reveals the real meaning of Christmas."

David Birtley CBE, Former Artistic Director, Birmingham Royal Ballet

The performance lasts approximately 90 minutes, plus there is a 20 minute interval, which provides the perfect time for festive mince pies! It is performed to the highest standard by a company of four world class professional dancers.

RESEARCHING MISSION & MINISTRY IN RURAL CONTEXTS

Wednesday 10th July 2024 | 7:30-9:00pm

We are delighted to have Steve Aisthorpe share some of his latest research as well as Heather Major (Cliff) and Ben Aldous considering which areas are in need of research in rural contexts in the future.

Steve Aisthorpe is the Director of Kilmalieu, a Christian retreat centre on the Ardgour peninsula on the west coast of Scotland.

He was previously a mission development worker for the Church of Scotland and undertook numerous research projects to better understand the changing shape and dynamics of the Church in Scotland. Some of that research led to the publication of 'The Invisible Church: Learning from the Experiences of Churchless Christians' (SAP, 2016) and 'Rewilding the Church' (SAP, 2020).

This is a free webinar aimed at people considering, starting or involved in researching mission and ministry in rural contexts.
